

## ***STREET ART for BANNERS FUNDRAISER 2017***

Remember the past Street Art painted plaques that have hung on the lampposts downtown Castle Rock over the last 5 years? There have been Salmon, Quilt Squares, Big Feet!, Family Heritage Flags and Leaves. Those 5 years of plaque sponsorships, the Silent Auctions and donations from Castle Rock Chamber have raised enough money to purchase the 60 colorful banners you see displayed downtown now and this summer. Now it is time to add to the inventory of banners and continue the display. Perhaps one day we can purchase seasonal banners as well!

This year, the Street Art Plaques are CIRCLES! Designed and cut at the CRHS shop this spring.

Stop by soon at Mt St Helens Motel and see Ellen. The cost is \$30.00 {\$25.00 for kids 18 and under}. The CIRCLE PLAQUES will be available until they are gone. Only 24 available. They should be returned to the motel by June 30th. The Street Art will hang on Front Avenue until October 1st.

You may choose to keep your circle art or offer it for silent auction at the Halloween Jamboree or Festival of Lights Holiday Bazaar during Small Business Saturday. Watch for details on the CRCDA and Blooms FB pages. They are easy to paint! Use your imagination and have the family join in the fun!
